

# Some Observations on Power Dividers, Antenna Work and Rotator Loops

Bob Lear W4ZST

SVHFS Conference 2025  
Clarkesville TN

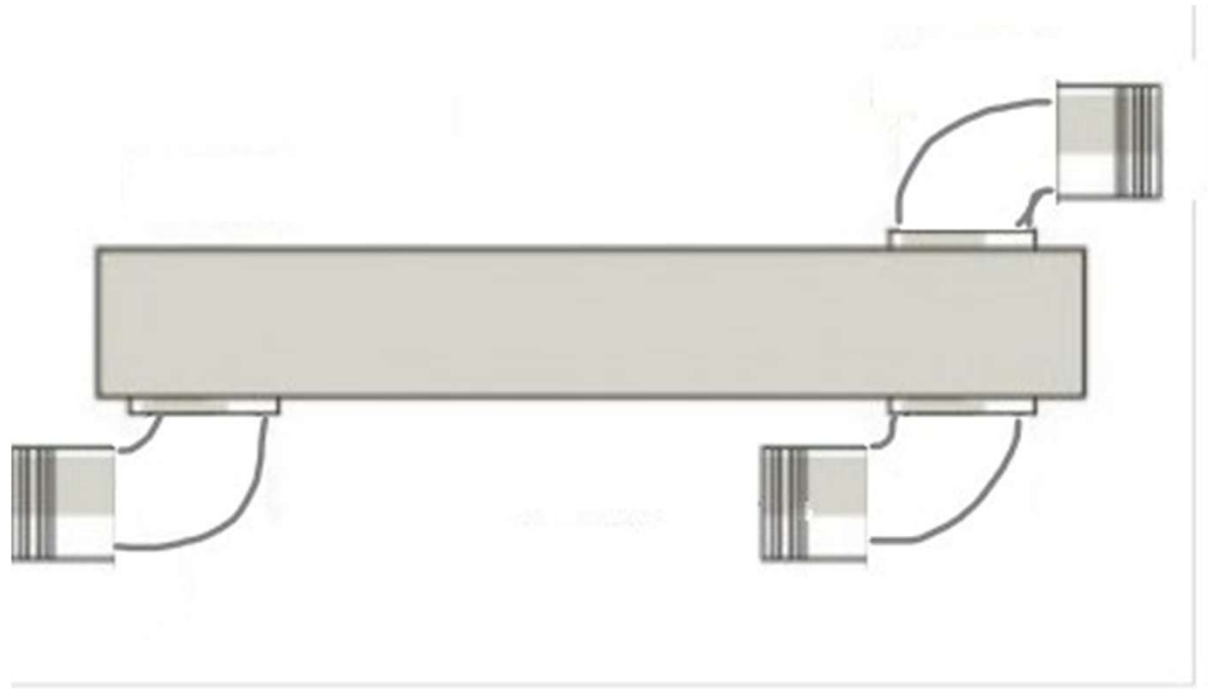

Photo 1. 2m PDs, L-brackets, phasing line loops

Photo 2.  
144 MHz  
Terrestrial antennas

## Proposed PD with Right Angle Connectors

# 222 Rotator Loops

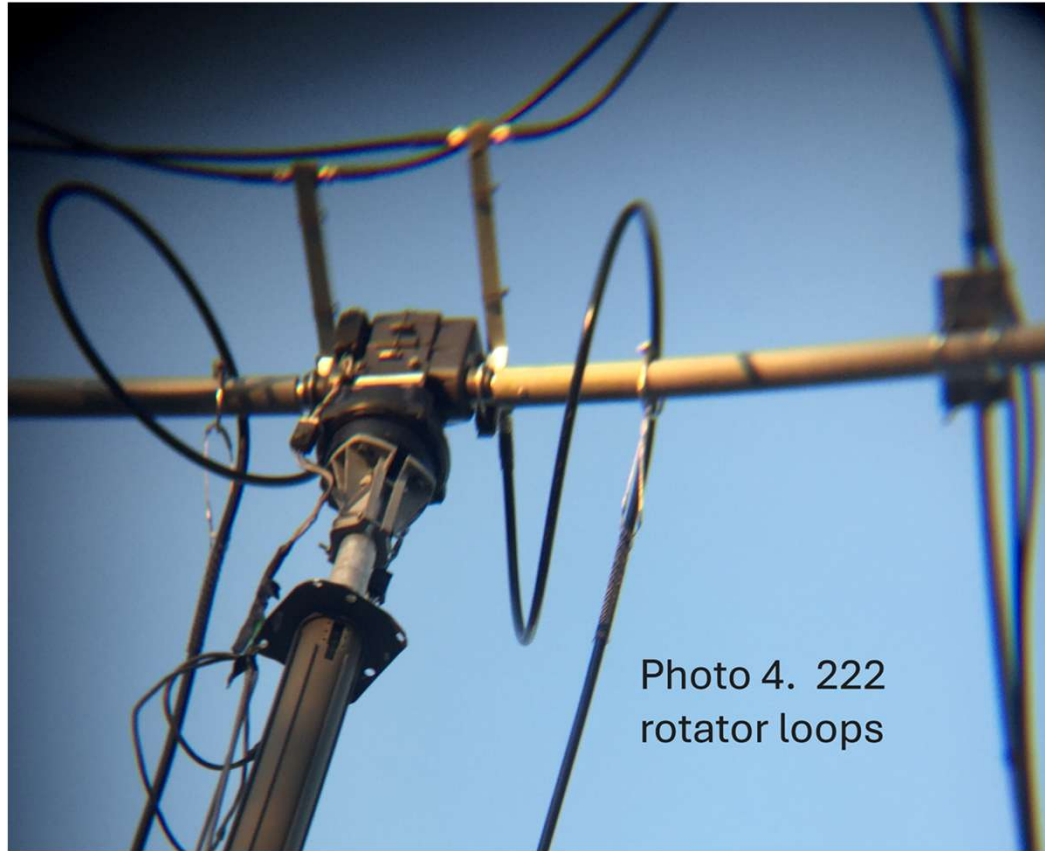

Photo 4. 222  
rotator loops

Working on  
144 EME Antennas  
with Scaffolding  
and my very  
helpful friends

## 222 Scaffolding

432 Antennas  
Horizontal and  
Vertical  
Polarization
